Council Orders An Investiga-Be Taxed \$15.00 a Quarter and Insurance Men \$5.00-Other Business Transacted

No more cement will be accepted inder the contract recently entered nto between the city and the Moore Fuel and Feed company, pending an investigation by a competent and disinterested party. Such was the decision of the city council last night, which also raised the salary of City Clerk George Gage from \$1.25 to \$1.75 a month for a period of five months; eached a nagreement with J. H. Jack, and placed a tax of \$15 a quarter on real estate agents, and \$5 a quarter for each company represented.

After a short caucus in the auto room and an extensive session in the city engineer's office, not so short, TRAPS R. R. OFFICIALS the council was called to order shortly after 9 o'clock with the mayor and all of the councilmen present.

The cement proposition was dispos ed of in short order. On a question of whether or not the city should pay the freight on four cours of cement now in transit, Shattuck opposed with the remark that if it should be like some already received, the city did not want it. It was decided to pay the freight procided the same was refunded if the cement proved unsatisfactory.

The condition brought into the light

by Bryan is one that the average per-son would not believe existed. Al-though the mater has been before congress on several occasions, the public has heard but little of the debates, owing to the fact that subjects involving the question of prohibition receive but little attention from the

great press associations.

The real point at issue, however, really has nothing to do with prohibition. The principle involved is whether the government should aid enter prises in states where they are made in awful by state laws. For instance the state of Maine has

been made prohibition by a vote of the people. Regardless of the fact that it is unleads for persons to en-gage in the sale of liquor tax receipts are issued to persons within the state which gives them the right to engage in illegal traffic so far as the federal government is concerned.
